LUCAS BOMBAY COATER USING BOMBAY COATING P/N 223090

A coarse textured external crumb.

This product can be used to coat various cuts of meat & poultry, including chicken, beef and lamb. Also meatballs using Lucas Meatball binder (62399).

Profile description: Warming Spices of Coriander and cumin for a mouth-watering flavour, with visual crumb, potato flake and red & green peppers to give an authentic appearance.

METHOD:

1. For best coverage lay the portion to be coated on a bed of Bombay Coater and press portion into coater turning and repeating the other side.

STORE UNDER REFRIDGERATION

Cooking Instructions:

To be oven baked @ 200°C, 400°C, Gas mark 6.

LABELLING / LEGISLATION

The product must be labelled in compliance with current Food Labelling regulations as amended.

For specific queries on labelling of final products, customers are recommended to discuss the matter with their Local Trading Standards Department.

For further information and advice on the product formulation or use of the ingredients please contact your sales representative or Kerry Ingredients (Lucas) on 01275 – 378500.

Whilst all care is taken in the compilation of the above information, Kerry Ingredients (Lucas) can accept no liability in respect of its use.
