Product Recipe

Date: 03/01/16 - Version 2

Product Recipe No: 20053050 (J09)

The recipe below is formulated to meet the 2014 Meat Product Regulations. Products made to this recipe, using the meats stated will comply with the reserved description compositional requirements and will have the meat content stated. If you wish to use other meats or change the visual lean content you must ensure that your recipe complies with the 2014 regulations and you will need to calculate the meat content and QUID declaration. . If you wish to use other meats please use the butcher's calculator on the Lucas Ingredients Web Site - www.lucas-ingredients.co.uk/products to work out your meat content and quid declarations. You must also ensure that the product has the correct meat minimum content if it has a reserved description.

Steak Pie Filling **Using Lucas Gravy Mix 20053050** **(Meat content 60%)**

Recipe:

| | % | lb | oz | Kgs |
|-----------------------|--------------|-----------|-----------|------------|
| Beef (90vl) | 60.0 | 12 | 0 | 5.4 |
| Cold water/ice | 35.0 | 7 | 0 | 3.15 |
| Gravy Mix 20053050 | 5.0 | 1 | 0 | 0.45 |
| Total | 100.0 | 20 | 0 | 9.0 |

Method:

1. Cook the meat in 80% of the water until tender. Once cooked allow to cool slightly.
2. Blend the gravy mix in the remaining 20% of the cold water to form a smooth blend.
3. The water that has evaporated /boiled off should be replaced before adding the gravy mix.
4. Add the blend to the cooked meat, stir well. Bring to the boil and then allow to simmer for 5 minutes.
5. Cool as quickly as possible and fill into pie shells and then cover with the lid.
6. Glaze the pies using Lucas Pastry Glaze 20053266(Product recipe J18). This should be done prior to and again 5 minutes before the end of baking.
7. Bake the pies @ 200°C/400°F/Gas6, until internal temperatures reach 72°C.

STORAGE: Pies can either be stored under refrigeration or frozen down.

Note:

- The pies can be frozen prior to glazing and baking and be baked off at a later date.
- Pies should be thoroughly thawed prior to baking.

LABELLING:-

The product must be labelled in compliance with European Food Information to consumers Regulations No 1169/2011

For specific queries on Labelling of final products, customers are recommended to discuss the matter with their Local Trading Standards Department. If you wish to use other meats please use the butcher's calculator on the Lucas Ingredients Web Site - www.lucas-ingredients.co.uk to work out your meat content and quid declarations. You must also ensure that the product has the correct meat minimum content if it has a reserved description.

CONTACTING LUCAS:-

For further information or advice on the product formulation or use of the ingredient please contact your sales representative or Kerry on +353 45931000 or Freephone customer helpline 0800 1385837. Whilst all care is taken in the compilation of the above information, Kerry can accept no liability in respect of its use.

At Lucas we've been manufacturing quality ingredients for butchers and food retailers since 1926. With many "firsts" to our name, including the development of yeastless rusk all those years ago and more recently the introduction of flavoured complete cure blends, we've remained at the forefront of many important developments in the manufacture of food ingredients. Our track-record of supporting butchers and other food retailers over the years will surely continue and our customers can rely on our ongoing commitment. Lucas Ingredients is a division of Kerry PLC.
